## Ruth Levine and Andrea D'Cruz

Designers: Ruth Levine and  
Andrea D'Cruz.

Company: RLD, Paddington, New South  
Wales, Australia.

Profile: A mid-sized company with a mix of  
project types: high end luxury residential,  
hospitality, and commercial. Recent work  
includes a residential development by the  
waterfront of Rushcutters Bay in Sidney,  
and the interior decoration of a boutique  
hotel in downtown Sidney.

Andrea is a paper-dodger for whom a fresh mango equals happiness. She sees her work as the icing on the cake; Ruth sees hers as life transforming. Andrea would not touch a client if she did not sense a mutual trust and respect. Ruth prefers it when they say 'Here is a cheque, a key, and see you in three months.' Both dream of relocating the office to an industrial site: Andrea to a warehouse with soaring ceilings and an abundance of natural light, Ruth to a boathouse on Sidney Harbour. For Ruth, Byron Bay is the most beautiful place on Earth; Andrea would be content anywhere in the world so long as it entailed wearing skis.
